1. Participate in the Survey for SAP ERP Customers

Please support SAP by sharing this information with your User Group members:

As a SAP customer, are you considering moving your company to the Cloud or upgrading your existing on-premise systems? SAP wants to empower you and your business to succeed! We ask for 10 minutes of your time to give us your feedback on how SAP can better support you.

Please note that the survey will be **open until April 16**. Your participation is much appreciated!

6. SAP Product Support Certification

Do you work with SAP Support? If so, SAP Support would like your thoughts on a project they are kicking off – SAP Product Support Certification. This would be a certificate that recognizes your

expertise in best practices from SAP Support. If you are available for a one-hour phone call in April (and potentially a few more calls through the year), please contact supportusability@sap.com and let them know your name, location and the number of years you have been working with SAP Support.

7. SAP Support Survey

Please take 5 minutes to complete this online survey about SAP Support. SAP Support would love to hear your thoughts, so they know how to improve their offerings and services.
